Rotary District 5650

ANNOUNCING RLI REBOOT!

District 5650 is re-launching in-person sessions for Rotary Leadership Institute (RLI).

You can't learn it all in a day! RLI has been divided into three sessions that include discussions and activities where you will learn more about your role in Rotary (Part I), about what you can do within your club (Part II), and continuing your Rotary journey beyond your club (Part III). There are also three spirals included in all three parts where you learn more about leadership, service and membership. There is time to explore the topics with fellow Rotarians from multiple clubs. It is for new and experienced Rotarian members to truly discover Rotary and get more out of your membership. It's not just for club officers.

Each Rotary session lasts most of the day and you are encouraged to go through the sessions in order. You need to attend the entire day to receive credit. We are re-committing to hold RLI sessions two to three times a year. Our next sessions are in Omaha on the following dates from 8:30 AM to 3:30 PM.

Saturday, March 30th – Part I only

Saturday, April 20th – Part I and II.

What will you learn at RLI?

The Rotary Leadership Institute (RLI) is a multi-district, grassroots leadership development program that is organized in Regional divisions around the world. RLI is not an official training program of Rotary International, but is highly recommended. Our division, Heartland USA has been available in District 5650 since 2006. In 2012, we expanded to partner with District 6000 in Iowa. There have been over 385 Rotarians participating in our Heartland USA Division. For more information email registrar@rli-heartland.org
