Dear Barbara!

Thank you very much for the information from the journal [Lincoln Journal Star]. It is very important for us that people know about the tragedy of Ukrainian children and help them.

I have very good news! On March 8, our joint grant was completed!

The purchased equipment was delivered by us to the warehouse in Zamość (RC Zamosc helped us) and on March 8, the Ukrainians took it to Ternopil.

I am sending you the transfer protocol and some photos. Next week I will send a detailed settlement of the project.

The medical supplies that went to the hospital were very much needed there.

We did a great job, thanks to you Friends of D-5560!

Best regards

Good morning Janusz,

I am thinking of all of you working to support Ukraine this morning with the news of the surge from Russia. Thank you again for all you are doing.

Here is a story that was in our local news on Saturday. We work to keep Ukraine in front of our community and will continue to raise funds and our voice for all of you.

We are grateful to know you and your club.

Barbara
