

# ClubRunner Mobile

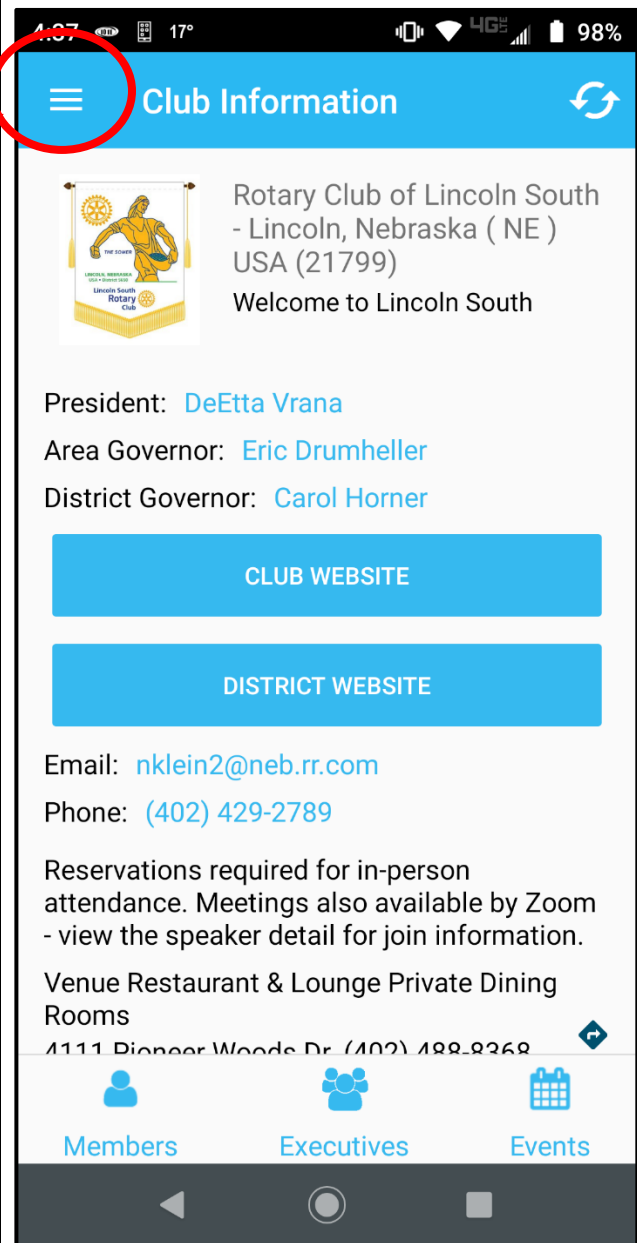

## Access Rotary District Club and Member Information from your smart phone

- Same logon as the District (or Club) website
- All Clubs (with or without ClubRunner subscriptions) can view the Club membership
- Section for your Club
- Section for the District where you can find information about Clubs in the District and search the members
- Clubs with ClubRunner subscription - you can also see your club's events and stories

Install the ClubRunner App and Open

Select Menu Options Here

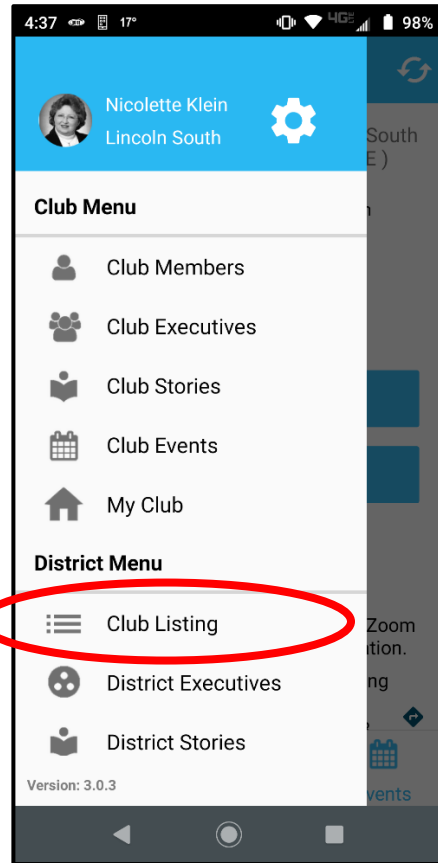

From the menu you get additional information about your club

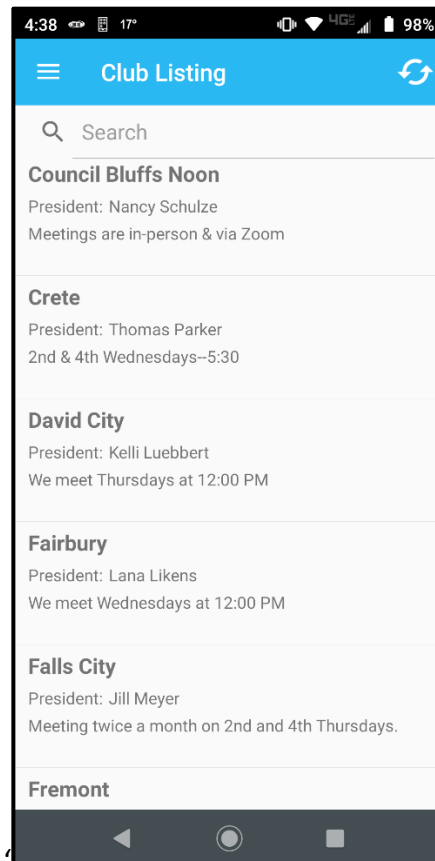

Club with ClubRunner subscriptions will have more information available such as Club Stories and events.

On the District Menu, you can look up District Executives – the District Committee chairs.

On the District Menu you can also select information about a Club – meeting information, executives and members.

This is what the Club Listing looks like

Click on the Club Name.

From there you can look up the Club Executives or Members
